

## **MOBILE BANKING SECURITY**

You no longer have to be enrolled in Online Banking to use Mobile Banking:

- Access your checking, savings, mortgage, line of credit, loan, and other accounts with Velocity Community Credit Union
- Open new accounts or apply for loans
- Deposit Checks
- Pay your bills anywhere, anytime through Bill Pay
- Send money with Zelle®
- Transfer funds immediately between your Velocity Community accounts
- Track your Debit Cash Back rewards
- Manage your Velocity Community credit card

Mobile Banking Enhanced Security Features -Just because you're mobile, doesn't mean you have to sacrifice security. Our highly secure Online Banking system protects your sensitive data through the following security precautions:

- Multi-factor authentication
- Member selected 10-character minimum (16-character maximum) passwords
- Deactivation in event of theft or loss
- Encryption of locally stored data
- Secure socket layer (SSL) connection
