Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION - The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Savings, Holiday, You Name It, IRA, HSA Savings, Checking, and HSA Checking accounts, the dividend rate and annual percentage yield may change monthly as determined by the Credit Union's Board of Directors. For High Yield Savings and Money Market Savings accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Savings, Holiday, You Name It, IRA, Money Market Savings, Checking, and HSA Checking accounts

## ACCOUNT DISCLOSURES

are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.
2. NATURE OF DIVIDENDS - Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

## 3. DIVIDEND COMPOUNDING AND CREDITING -

 The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.4. ACCRUAL OF DIVIDENDS - For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.
5. BALANCE INFORMATION - To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For High Yield Savings accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.
6. ACCOUNT LIMITATIONS - For Holiday accounts, the entire balance will be transferred to another account of yours on or after November 5 and the account will remain open. For Savings, High Yield Savings, You Name It, IRA, HSA Savings, Money Market Savings, Checking, and HSA Checking accounts, no account limitations apply.
7. FEES FOR OVERDRAWING ACCOUNTS - Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
8. MEMBERSHIP - As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
